

## COMFORT MEETS PERFORMANCE. ANYWHERE YOU GO....

...tough enough for the road,  
comfortable enough for home.

Built for convenience, comfort, and performance, the Voyager Toilet is the ideal solution for life on the move—whether you're outfitting an RV, camper, or trailer. The Voyager Toilet is expertly engineered for faster, easier installation and long-term reliability, all while delivering the familiar comfort of a residential bathroom. From powerful flush performance to thoughtful ergonomic design, it's a smart upgrade for any mobile space.
