

LUXURY AND DURABILITY. ON THE GO...

...all the features you need—
with the finish you want.

Designed for those who want a more refined experience without sacrificing performance, the Voyager *PLUS* Porcelain Bowl Toilet brings residential luxury to life on the road. Perfect for RVs, campers, and trailers, it's built with the same installation-friendly design and powerful flush system as the original—but with an upgraded porcelain bowl for elevated comfort and style..

VOYAGER PLUS RV TOILET WITH PORCELAIN BOWL

- **Freeze-Resistant Valve** – Water valve functions reliably down to -40°F
- **Premium Porcelain Bowl** – Sleek, residential-grade material adds durability and a clean, modern look
- **Fast, Hassle-Free Installation** – Hands-free activation with adjustable water flow
- **Ergonomic Foot Pedal** – Intuitive, hands-free operation with adjustable water flow
- **Residential-Style Comfort** – Full-height toilet with elongated bowl for a true home-like feel
- **Soft-Close Seat & Lid** – Prevents slamming and adds a touch of quiet luxury
- **Tri-Directional Nozzles** – Provides thorough, full-bowl cleaning
- **Heavy-Duty Strength** – Built to support up to 660 lbs.
